Spring 2017

Message From President Laura Downing

Dear Fellow Members,

I want to offer my sincere appreciation for allowing me to serve as the 2017 President of the North Carolina Chapter of the FBI National Academy Associates. I can truly say it is a humbling experience to be part of such a professional association. I am proud to serve in a leadership role for such a dedicated and committed group of law enforcement leaders. I look forward to working with our sponsors, law enforcement partners and members in the upcoming year. I have always been impressed with the board's enthusiasm and determination to continue moving this organization forward as a leading chapter in training, education, and professional development.

I believe this organization provides insight and knowledge to our members during these challenging times that are vital to earning trust and legitimacy within our communities by setting standards of professional conduct at all levels of law enforcement.

I welcome the opportunity to continue the professional development and growth of our chapter as your 2017 president.

Sincerely,

Laura L. Downing
